

Primary PE

Rational and Impact Report

2017 – 2018

The Primary PE funding is money each school which is centrally allocated to spend on staff training and CPD; providing supply teachers to cover PE staff for training purposes, increasing the competitive sports opportunities within school; and observing and monitoring PE and its assessment across the school.

The government believes that the PE finding should be used to: promote healthy lifestyles including participation in sport and addressing obesity; improve quality of PE and sport for all children increase competitive sporting opportunities for all children.

At Monkseaton Middle School, we provide the required 2 hours of high quality Physical Education per week to all pupils in KS2 as well as a wide range of extra-curricular activities offering students the opportunity to be involved in a wide variety of sport, both at the recreational and competitive level.

All students in Year 5 are provided with swimming lessons, taught by specialist coaches.

SWIMMING AT MMS

From 2017 – 2018, there is an additional requirement for schools to report on swimming competency in KS2: schools are required to publish how many students within Year 6 are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25m and use a range of strokes effectively and perform safe self-rescue in different water based situations.

Swimming Data for Current Year 6 Pupils:

Total number of students in Y5 2017 – 2018 (Current Year 6) = 77

Percentage of students who could swim 25m+ = 56%

Percentage of students who could not swim 25m = 44%

PE Funding for Monkseaton Middle School for 2017-2018

Total Allocation: in the region of £17570

This figure estimated from Government guidance released 31/10/17 and is calculated using the formula provided.

2017 – 2018 school year spend £17338

2017 / 2018 School Year		
Support Provided	Cost	Impact
